OVERVIEW

The Rock Spring Baptist Church Constitution establishes and preserves the principles of our faith and ability to govern the body in an orderly manner, consistent with Biblical teaching. The beliefs stated in the Constitution are core to our church member beliefs. As such, changes to the constitution are not be made without prayerful consideration.

The Rock Spring Baptist Church Policies and Procedures defines policies, procedures, and job descriptions to fulfill the principles and governance described in the Constitution; and to assist in everyday operation of the church. All situations are not covered. Deacons and staff will have to handle these situations as they arise.

Policies and procedures will be changed as necessary as the church changes and grows. As new policies and procedures are defined and established, they must be added to this document. We cannot assume that church members will remember what was done in a specific situation should the situation arise again.

AS WITH THE ROCK SPRING BAPTIST CHURCH CONSTITUTION, THE ROCK SPRING BAPTIST CHURCH POLICIES AND PROCEDURES APPLY TO ALL OF CHURCH MEMBERSHIP. QUALIFICATION FOR CHURCH MEMBERSHIP IS DEFINED IN THE ROCK SPRING BAPTIST CHURCH CONSTITUTION.

POLICIES

BENEVOLENCE POLICY

1. Benevolent needs will be met for members and non-members in accordance with Matthew 25:35-36, "For I was hungry, and you gave Me something to eat; I was thirsty, and you gave me drink; I was a stranger, and you invited me in; naked and you clothed me."
2. Request for assistance will be forwarded to the Deacons.
3. Food, and/or gas, etc. will be purchased for the individual/family out of the "congregational care" line item in the annual budget.
4. As opportunity presents itself, present the plan of salvation or give a gospel tract to the person.
5. Each person requesting assistance will be required to fill out an application for assistance. Non-members must come in person or make some other arrangement to meet in person if transportation is an issue.
6. Two deacons or two staff members or any combination thereof will interview those seeking assistance.
7. A background check will be run on all non-members before granting requests for assistance.
8. Application form should be filed away in office noting whether assistance was given and how much.
9. Annual benevolence funds are broken up by quarter in order to have a stream of funds throughout the year. The Deacon Fellowship can approve to spend more than the quarterly allotment for a need, but they should not exceed the annual limit.

CHURCH FACILITIES USAGE POLICY

PURPOSE STATEMENT

The church's fellowship hall was provided through God's benevolence and by the sacrificial generosity of church members. The church desires that its fellowship hall be used for the fellowship of the Body of Christ and to bring God glory. Although the fellowship hall is not generally open to the public, we make our fellowship hall available to approved non-members as a witness to our faith, in a spirit of Christian charity, and as a means of demonstrating the Gospel of Jesus Christ in practice.

But fellowship hall use will not be permitted to persons or groups holding, advancing, or advocating beliefs or practices that conflict with the church's faith or moral teachings, which are summarized in the Rock Spring Baptist Church Constitution. Nor may the church fellowship hall be used for activities that contradict, or are deemed inconsistent with, the church's faith or moral teachings. The pastor, or the deacons, are the final decision-maker concerning use of church facilities.

This restricted fellowship hall use policy is necessary for two important reasons. First, the church may not in good conscience materially cooperate in activities or beliefs that are contrary to its faith. Allowing its fellowship hall to be used for purposes that contradict the church's beliefs would be material cooperation with that activity, and would be a grave violation of the church's faith and religious practice. (2 Cor 6:14; 1 Thess 5:22.)

Second, it is very important that the church present a consistent message to the community, and that the church staff and members conscientiously maintain that message as part of their witness to the Gospel of Jesus Christ. Allowing the fellowship hall to be used by groups or persons who express beliefs or engage in practices contrary to the church's faith would have a severe, negative impact on the message that the church strives to promote. It could also cause confusion and scandal to church members and the community because they may reasonably perceive that by allowing use of our facilities, the church agrees with the beliefs or practices of the persons or groups using its facilities.

Therefore, in no event shall persons or groups who hold, advance, or advocate beliefs, or advance, advocate, or engage in practices that contradict the church's faith use any church facility. Nor may church facilities be used in any way that contradicts the church's faith. This policy applies to all church facilities, regardless of whether the facilities are connected to the church's sanctuary, because the church sees all of its property as holy and set apart to worship God. (Col 3:17.)

1. The person in charge of using the fellowship hall must be a church member.

2. Reservation is via Church reservation calendar. Date and time must be specified. The fellowship hall is only available for Sunday use between the hours of 1PM and 5PM. Available times will be indicated on the sign-up calendar to avoid conflicts.
3. Church functions will take priority over outside group usage of the fellowship hall.
4. For youth activities, an adult church member must be present and in charge while the fellowship hall is in use.
5. Church members may use the fellowship hall for family reunions, birthday parties, etc. but the fellowship hall may not be used by anyone for sales meetings or other functions that would result in personal financial gain for the individual. Dancing in the context of a party or reception is not allowed.
6. No alcoholic beverages are allowed on church grounds.
7. There is to be no smoking in any church building or at the entrances to any of the buildings. Anyone wishing to smoke may do so outside.
8. After use, the fellowship hall must be left clean and the furniture arranged as it was found.
9. When using the fellowship hall for non-church related activities the user must furnish items such as paper cups, plates, napkins, etc. Any of the other dishes may be used provided they are washed and put away immediately after use.
10. The furniture of Rock Spring Baptist Church including tables and chairs are not to be borrowed.
11. The fellowship hall is not to be used or preparation done during church hours for non-church related activities.
12. The following items constitute the minimum cleanup required after using the fellowship hall:
 - a. Empty all trash cans. If food or drink is spilled on the floor, please wipe, clean, or mop that particular area.
 - b. Sweep the entire floor.
 - c. Remove all food from the fellowship hall except that which is to be left in the refrigerator. (ice, mustard, mayonnaise ...)
 - d. Check that all toilets are flushed and faucets shut off.
 - e. Reset thermostat as found.
 - f. Turn off all lights.
 - g. Lock all entry doors throughout the building.

NOTE: There is a \$350 fee for using the fellowship hall for functions hosted by non-profit (e.g., 501(c)(3)) organizations where food is not served. There is a \$650 fee for using the fellowship hall for functions hosted by non-profit (e.g., 501(c)(3)) organizations where food is served.

BABY SHOWER POLICY

1. Any member of Rock Spring Baptist Church will be offered a baby shower to be given by the Bridal/Baby Shower Committee. The Committee will offer showers for all births. A church member may refuse the shower if they so choose.

FLOWER & CARD SENDING POLICY

1. Send flowers or appropriate gift only to church members who have an overnight stay in the hospital, when feasible.
2. Send flowers for death of members and members' children or parents.
3. Send get-well cards for other sicknesses.
4. Send sympathy cards for other close family deaths.

DESIGNATED FUNDS POLICY

1. New designated fund accounts must be approved by the Finance Committee.
2. The stated purpose of each designated fund will be maintained by the Finance Committee.
3. It is the responsibility of the Finance Committee to periodically review and determine the validity of the designated accounts, and to reallocate funds when deemed necessary.
4. When a designated fund account has fulfilled its intended purpose it will be deleted and any remaining funds will be reallocated as determined by the Finance Committee.

FUNDRAISER POLICY

1. The following is a list of approved recurring fundraisers and any additional fundraisers, which are to be held at Rock Spring Baptist Church, must be approved by the Finance Committee before implementing:
 - Souper Bowl Sunday
 - Silent Auction
 - Spare Change Sunday
 - Christmas Card Mailbox
 - Calendar Sales
 - Harvest Day Auction
 - Wednesday Night Meals,
 - Valentine's Steak Dinner

GATEKEEPER & EXPENSE REIMBURSEMENT POLICY

Each line item in the budget as well as each designated fund has been assigned a gatekeeper to insure better budget monitoring and finance management. The Finance Committee will be responsible for assigning gatekeepers for any new budget line items or designated funds. The list of gatekeepers will be defined by the Finance Committee in the budget.

1. The Gatekeeper is responsible for monitoring and approving expenses from the specified fund but may delegate this responsibility as necessary. The Secretary will be informed of any individual designated by the Gatekeeper to approve expenditure of funds.
2. The Expenditure Approval form may be submitted electronically or in hard copy to the church Secretary and will be filed in the Church office.
3. No funds are to be spent until they have been collected without prior approval of the Chair of the Finance Committee.
4. If the Finance Committee Chair approves the expenditure before the funds have been collected, he or she will inform the Treasurer.

CHURCH VEHICLE POLICY

To insure that our church vehicle can be enjoyed by all we ask that you observe the following regulations:

1. Drivers must be at least 25 years old. Driver's license numbers must be submitted to the Insurance Advisor and forwarded to the insurance company.
2. The driver should make a pre-trip inspection of the following areas: head lights, tail lights, turn signals, tires and brakes.
3. The driver is in complete charge of the van at all times.
4. Under **NO** circumstances will anything be allowed outside the windows (for example: heads, arms, clothes, trash ...)
5. Smoking is not permitted in the van.
6. Since behavior on church trips reflects on the entire church, all persons are expected to conduct themselves in a Christ-like manner; this includes appropriate dress.
7. Receipts for church related purchases of gasoline will be reimbursed by the treasurer, unless your group chooses to cover this expense.
8. Those using the van will must return it in good condition (that is removing any trash, etc.)
9. Any problems with the vehicle or questions about it should be directed to the Building and Grounds Committee.

NURSERY/TODDLER POLICY

1. A pager is to be given to ANY parent/guardian leaving a child in the nursery/toddler classes. Each child is identified by writing his/her name and pager number on masking tape or a name label and putting it on the child's back. Also, ensure that all diaper bags, coats, blankets, toys they bring, etc. are labeled. Even if you know the child and the parent/guardian, a pager must still be issued.
2. If a parent/guardian will not accept a pager, the child cannot be received for childcare. Identify each child with the pager number. Only the person with the correct pager may pick up the child.
3. Please follow pager instructions. We must be serious about the security and safety of the children we care for. As volunteers, we don't want to be responsible if something happens to a child that is in our care and the parent cannot be reached immediately because a pager was not issued!
4. Discipline of children will be:
 - a. Clearly state expectations or classroom behavior standards in a positive manner;
 - b. Place child in time out – 1 minute per year of age;
 - c. If child is too disruptive for the class, page parent/guardian.
 - d. There can be no variation in how we discipline the children.
5. Cleaning methods of toys/swings/saucer seats/cribs: Please use disinfectant wipes to clean toys or areas which are played with or mouthed to help minimize the spread of germs. Use the sanitizing liquid to spray a light coat on the toys, cribs, swings, saucers, changing table, chairs, etc. and leave to dry at the end of each tour of duty (on Sunday morning, the tour of duty ends after worship). Don't forget the door knobs! Any toys needing additional cleaning should be placed on the changing table/counter for pickup and will be cleaned by the Nursery Coordinator.
6. Cleaning of toys can begin several minutes before parents are expected, leaving a few toys out for the children to play with. Once a child puts a mouthed toy down, it should be cleaned immediately and left to dry. The disinfectant wipes do not have Clorox in them so the toy can be returned to the toy box when dry. Toys that are played with but not mouthed will need to be wiped at the end of each tour of duty and returned to the toy box.
7. Cleaning methods of sheets, burp cloths and/or changing pads: Please place soiled items in a plastic bag and put on top of the changing table for pickup and cleaning by the Nursery Coordinator.
8. Replacement items are in the drawers of the cabinets.
9. To satisfy insurance restrictions and for the protection of our workers and children, there must be at least two (2) workers in the room at all times.
 - a. A volunteer does not want to risk going to court without a witness!
 - b. Secondly, it would be hard for one person to attend to a child who needs special attention and properly care for the other children at the same time.
 - c. If there is only 1 child in your care, one worker may take the child and join another class while the other worker is released. However, that child must be cared for by the remaining worker; care cannot be passed to the class that is being joined. Therefore, if one child is joined with another class, there will be three

workers in that class, regardless of the child to adult ratio. This eliminates a safety issue.

10. Workers scheduled at the same time cannot be immediate family members (i.e. husband/wife, brother/sister, mother/daughter, immediate kin by marriage, etc.).
 - a. A volunteer does not want to risk going to court as a witness against a family member! Please alert the Nursery Coordinator if there is a conflict in scheduling.
11. Sunday morning, Sunday night, and Wednesday night childcare is provided for newborn babies to two (2) years of age. Sunday School/Mission Friends classes and Children's Church/Extended Session are offered to those over the age of 2 through Kindergarten. A Sunday School Toddler class is offered for children of walking age through 2 years of age.
12. No one under the age of 15 can work in the nursery/toddler rooms. Ages 15-18 will serve with an adult.
 - a. For insurance purposes and maturity reasons, the worker must be at least 15 before serving, and will serve with an adult until age 19.
13. No male under the age of 19 will be allowed to change diapers or take toddlers who are potty training to the restroom. Page the nursery coordinator if additional assistance is required.

Restroom Policy: When taking a toddler to the restroom, the restroom door should be left open so the worker can stand in the doorway to supervise the child while maintaining a posture that would safeguard against any accusations.
14. Whenever possible, page the parent/guardian to assist in the cleaning and changing of an older aged child who has heavily wet or soiled clothing. If this is not possible, take the child to the restroom, abide by the open door policy, and instruct them how to clean and change themselves. Avoid directly cleaning or washing the older aged child whenever possible.
15. If there are questions, problems, or supplies which need to be replenished, please contact the Nursery Coordinator.

WEDDING POLICY

We believe that the wedding ceremony is a sacred event. It is a religious ceremony in which a man and woman invoke the blessings of God in holy wedlock. It is the goal of the pastor and the church members to make each wedding ceremony a beautiful and worshipful event. To that end we extend to the wedding party every possible courtesy. To establish a uniform practice regarding weddings in our church, the following procedures have been instituted:

WEDDING PROCEDURES

1. This policy must be agreed to and adhered to in order to schedule a wedding on the church calendar.
2. The church may be reserved and used for wedding ceremonies by a member, or sponsored by a member, or in cooperation with a sister church. For non-members, the sponsor/responsible party must be present during all wedding-related activities.
3. If the ceremony is in cooperation with a sister church, a sponsor must be secured who is a member of Rock Spring Baptist Church. The member will be responsible for opening the church and to make sure all the rules outlined in this policy are observed. A security deposit of \$250 will be required before the wedding is scheduled on the church calendar. The deposit will be refunded after the facilities have been inspected once the ceremony is completed and restored as it was beforehand.
4. The dates for the wedding ceremony, rehearsal dinner, and/or reception will be posted on the church calendar located in the Fellowship Hall.
5. The wedding service and all music must be approved by the pastor. The criteria for approval will be biblical. (Some scriptures for consideration include Gen. 2:18-24, Prov. 5: 15-20, Heb. 13:4, Eph. 5:1-5, Eph. 5:22-33).
6. The couple must consent to pastoral counseling.
7. The wedding party must take responsibility for restoring all facilities after the ceremony as they were. A \$500 fee, payable in advance, will cover the use of the sanctuary for non-members. This covers the sanctuary and the utilities for the wedding rehearsal and the ceremony for non-members. Additional fees of \$200 for custodial and \$200 audio/visual will also be added for both members and non-members. An additional fee, as defined in the fellowship hall usage policy, will be added if the fellowship hall is used for non-members.
8. All Fellowship Hall rules apply if used for rehearsal dinner and/or reception.
9. Sound room services must be provided by a Rock Spring sound technician.
10. Should the pastor have concerns not covered in these guidelines, those concerns will be discussed with the couple, and if necessary, with the deacons for resolution.

CEMETERY POLICY

The following defines the guidelines for eligibility of interment in Rock Spring Baptist Church cemetery.

1. All members of Rock Spring Baptist Church and their minor children are eligible for burial plots at no cost. Minor children are defined as under the age of eighteen years old.
2. Members may express a preference for a single or double plot. All plots remain the property of Rock Spring Baptist Church. No one has the right to sell or assign a plot to someone else.
3. Provisions for Cremains shall be in a designated area. Plots for interment of Cremains will be available under same guidelines as other burial plots.
4. Cremains will not be scattered in church cemetery.
5. Any non-member whose spouse or parent is a member or former member interred in the cemetery may be eligible for interment by paying a fee of \$1000.00 for a plot. Cremation plots will be a fee of \$500.00. These conditions of interment must be approved by cemetery committee.
6. All regular burial plots are 5ft. x 9ft. Cremations plots are 3ft. x 3ft.
7. All fees are due prior to interment.
8. Family members are encouraged to remove dead/faded flowers, stands, pots, or other items from graves. Care should be taken to ensure that objects do not prevent grounds keeping of cemetery.
9. The church is not responsible for repair or maintenance of markers.
10. All specific burial plots are subject to these guidelines, regardless of when the request for a plot was made.
11. The Cemetery Committee will oversee guidelines and shall keep an accurate plot map indicating member's preferences.

CHURCH LIBRARY POLICY

The mission of the Rock Spring Baptist Church library is to help members and friends to know Christ and make Him known by providing materials that will promote their spiritual growth and encourage them to share their faith with others.

1. The library seeks to support the spiritual quest and religious education of each member.
2. The library may be used whenever the church building is open.
3. One of the library committee will supervise the library each Sunday after the morning worship service for up to a half hour.
4. At other times books may be borrowed from the library using the procedures outlined below.
5. Books may be borrowed for a period of two weeks and may be renewed by request of one of the library staff who will indicate the new date due on the card.
6. If a committee member is not present, the borrower may renew the book him/herself as long as there is not a reserve request attached to the card.
7. Check-out procedures are to be displayed in a prominent place in the library.

The selection and gifting of materials for the library will conform to the following policies.

1. All materials are to be approved by the committee before they are added to the library.
2. Materials may include books and audio-visual media.
3. Materials need to support the mission statement of the library.
4. Any material received that does not meet the needs of the library may be returned or discarded.
5. Financial contributions are welcome and should be designated to the Library Fund.
6. Monetary contributions should be placed in an envelope marked "Library Fund" and placed in the collection plate or turned into the church office.
7. All monies given will be used to purchase materials.

CHURCH LIBRARY PROCEDURES

1. After selecting the book, the borrower is to remove the card from the pocket in the back of the book.
2. The borrower is to then write his/her name and the day's date on the card, and file the card in the index box according to the first initial of the author's last name.
3. When returning a book, the borrower is to place it in the return basket.
4. One of the committee will replace the card to the book and return the book to the shelf.

SAFETY PLAN

Introduction

The purpose of this section is to introduce the philosophy and guidelines in providing Rock Spring Baptist Church (RSBC) with a Church Safety and Security plan. The objective is to provide security without interfering with the core mission and activities of the church. Recent statistics show that church intrusions are no longer limited to property damages and theft with an increasing number of threats and attacks on people. This is the main reason our church needs to place more emphases on securing property and making the church environment safer for everyone.

RSBC has a Volunteer Safety Coordinator with the understanding that additional church members will be asked to serve on the church safety team to implement a security plan. A review of church security plans throughout the nation reveal that different approaches are being taken by churches to provide security. Our concept, used by the majority of small churches, is to use selected volunteer members from the congregation. This approach is less intrusive (no uniformed police presence) and less expensive, but requires greater participation by church members and mandatory training.

The security plan is intended to be complex enough to provide safety, but simple enough to understand and follow.

The entire congregation is asked to do three things:

- (1) Maintain awareness,*
- (2) Report suspicious persons or actions, and*
- (3) Follow evacuation and security actions announced during an emergency.*

Other church members will be asked to serve in specific safety plan roles.

Church members who are asked to provide leadership include, but are not limited to, safety team members, volunteer medical services, children's ministry leaders, ushers, greeters, deacons and staff. The plan involves the following sections.

- I. General Security
- II. Children's Ministry
- III. Emergency Evacuation
- IV. Medical Emergency
- V. Extreme Weather Conditions
- VI. Action in Case of an Intruder
- VII. Incident Reporting
- VIII. Confidentiality
- IX. Safety Team Membership
- X. Conflict of Interest

I. General Security

This section sets forth the general procedures and responsibilities for providing safety for RSBC membership. The entire membership is asked to be observant at all times during all church functions if anything unusual or suspicious person or behavior is observed, tell a safety team member, usher, staff member, deacon or other church leader. In other words, *“If you see something, say something.”*

A Security Incident Report should be filled out any time there is an injury, medical emergency, evacuation, or other incident that should be documented. Additionally, any perceived threats, threats received by telephone or in person should be reported immediately to the Safety Coordinator or a member of the church leadership. In emergencies, always call 911 first for local law enforcement intervention.

The safety team member designated for the week will patrol the buildings and parking area during Sunday school and Sunday worship services to watch for any potential security threat or medical need. The safety team members will also check parking areas for signs of unusual activity. Safety team members will lock from the outside, any doors that are not in normal use at the time.

The Ushers are to maintain awareness for signs of unusual activity while persons are entering the church and will follow existing procedures for handling monies. The Ushers are the first line of defense to a potential threat that may enter the main worship area of the church.

II. Children’s Ministry

Safety and security for our children is of utmost importance.

All Nursery, Children’s and Youth Ministry leaders will work with the Safety Coordinator to develop and implement a Safety plan that is appropriate for that ministry. Each plan should include: Health and Safety, Child Identification (members and visitors), Admittance and Release Procedures, Special Needs, Volunteer Works Screening, reporting suspected abuse or neglect, Evacuation or Lockdown procedures in case of emergency, custody issues, reporting incidents, contacting a parent if need arises.

III. Emergency Evacuation

In case of the need to evacuate, all persons will proceed to the *front parking lot*.

** Maps to be placed in class rooms and where needed.

1. A church leader or safety team leader will give instructions to evacuate and church leaders will lead members to the site. People in the sanctuary will be instructed and led by a staff member, safety team member, or usher to the evacuation assembly site.

2. People in the education building will be instructed and led out of the building by a safety team member or church leader to the evacuation site.
3. Children in the education building will be instructed and led by their teachers (adults in charge) to the evacuation assembly site.
4. Staff and teachers leading children to the evacuation site will remain with the evacuees until such time that it is safe to return to the buildings or for parents to pick them up to go home.
5. A safety team member, usher or church leader will check restrooms and classrooms to ensure everyone has exited from the buildings and will report to responding officials.
6. In case of fire, the person in charge at evacuation assembly site will receive clearance from the fire department before giving instructions for people to return to the building(s).

IV. Medical Emergency

This section sets forth structure and actions to take in cases of medical emergencies.

The safety team has a volunteer medical services leader that will serve as medical emergency coordinator in support of the medical emergency portion of the church safety plan. An AED is located in the education building between the restrooms, for use as needed. At least one training session should be conducted annually to familiarize members in how to administer CPR, how to use the AED devices, and review medical emergency procedures.

** Training dates to be placed in church calendrer.

The following actions will be taken in case of illness or injury:

1. If there is any doubt as to the seriousness of the illness or injury, the first person on the scene will immediately call 911.
2. The first person on the scene will contact, or direct someone, to locate a medical services professional, if available to come to the scene and to take appropriate action.
3. If 911 is called a person will be designated to proceed outside to meet and guide medical personnel to the patient's location.

V. Extreme Weather Conditions

This section sets forth the procedures for dealing with dangerous weather conditions.

Our major weather safety concerns are snow, ice, hurricanes, straight line winds associated with severe thunderstorms and tornados. We normally have advance warnings alerting us to the severity of these weather conditions. Based on the best information available, the following actions will be taken: the senior pastor, in consultation with staff and the deacon chairman, will

decide if it is necessary to cancel church activities. In the absence of the senior pastor, the deacon chairman will make the decision.

In case of snow and ice, the senior pastor, staff and the deacon chairman will also be decide as to the suitability of campus conditions. The church web email, and public media sources will be utilized to inform church members of schedule deviations.

Tornadoes (Severe Weather)

Tornadoes and straight line winds are associated with severe weather or thunderstorms. However, all thunderstorms do not result in tornadoes or damaging winds. The National Weather Service has the ability to identify and track tornadoes; therefore, we can be warned. In case of a tornado, the following actions should be taken:

1. A church staff member, safety team member, or church leader, will announce tornado warning and direct people to follow ushers or other church leaders to designated safe areas.
2. Safety team members, ushers and/or other church leaders will be sent to all buildings and classrooms to notify occupants and direct them to one of the designated safe areas.
3. Occupants in the sanctuary will be led to internal hallways away from windows. Occupants in the education building will be led to internal hallways to take shelter away from windows. All persons should remain in place until notified the severe weather is no longer a threat.

VI. Action In Case of an Intruder or Active Threat (Code Red)

This section sets forth emergency procedures in case of an intruder. If an intruder threatens any guest or church member(s), the following actions will be taken.

1. Person noticing the potential threat will notify Safety Team member, usher or church leader immediately.
2. During assessment of the situation, if person in question is armed or irrational (yelling, making threats etc.), call 911 immediately for police help. If 911 is called, send a person outside to meet police to explain situation and give directions to where the person is located.
3. Attempt to seal off area around the threat, by blocking hallways or locking doors of buildings while keeping people away.
4. Delegate a person(s) to go to every classroom instructing them to lock door(s), and to remain where they are.

5. Instruct teacher (adult leader) to stay put until word comes that the threat no longer exists. The leader should keep occupants away from door and windows, and barricade the door if necessary.

The Safety Coordinator, along with the Senior Pastor, will be responsible for developing, implementing, and operating the RSBC safety plan. Responsibilities will include providing training and information to church leaders and leaders who have key roles in church security. It will also ensure that all church members understand the plan and what is expected of them.

VII. Incident Reporting

1. An incident report will be completed whenever something of an unusual nature happens or is observed. This includes suspicious or disorderly persons, injuries, medical emergencies, theft, or complaint of a third party. If a third party complaint is received, the complainant should provide a statement with detailed information.
2. An incident report shows concern for those individuals who may be injured, either visitors or members, and demonstrates that the church is doing everything possible for them. This also documents the immediate attention the church or staff member provided.
3. An incident report provides valuable information on who, what, when, and where. It also provides the type of injury, witness information, and the injured party's response. Without accurate information, it is very difficult to recall specific incidents of the past and can be scrutinized by attorneys if brought into court.

VIII. Confidentiality

1. Failure to maintain confidentiality could harm the cause of Christ and subject the Church to potential liability.

 - a. **Please plan to arrive 10-15 minutes before your tour of duty.** Parents need time to get to their classes, worship, or prepare for the ministry in which they have volunteered.
 - b. **Limit use of cell phones/electronic devices to emergencies only.** All attention should be paid to the babies/toddlers in order to provide the safest environment possible.

- c. **The dry erase board** is a good tool to record (or have parents record) pager numbers, requests as to specific care instructions, **allergies**, feeding times, nap times, applying diaper rash medication, trying to potty train, dirty diaper change, snacks which can be given, etc. This will allow workers who are rotating in to be aware of the parent's/guardian's requests.
- d. **Snacks** such as animal crackers, goldfish, toddler cookies, etc. will be available in the room. **Please make sure you have parental/guardian consent before allowing children to have these!** There should be a personal care sheet for each child in a folder in the room that can verify whether or not the child is allowed to have snacks.
- e. **During Sunday School, please fill out the attendance record** and turn it in to the church office. If you cannot leave during Sunday School to take this to the office, ask someone from another class to take it when they take theirs.
- f. **Important!!** During the Sunday morning worship service, use the Worship Attendance Record sheet to write the names of those volunteering, as well as the children to whom care was given. Reasons this is so important:
 - i. A count is routinely taken for attendance during Sunday School, but not during worship. This will provide an appropriate count for worship attendance;
 - ii. It will help the Nursery Coordinator avoid scheduling workers too close together, in the event a replacement or switch was made.
 - iii. It is a good outreach tool in the event children are new to our church or have missed several Sundays.
- g. **Plastic bags** are available to tie up soiled diapers before placing in the trash. Please double bag the dirty diapers. **Plastic gloves** (located in the cabinet drawer) are available for those desiring to use them when changing diapers.
- h. Try to **have child's belongings gathered** before the parent returns to allow for a smooth transition at pick-up.
- i. Make sure to **give a clean, dry child back to the parents**. Final diaper/pull-up check should be about 10-15 minutes before parents are expected. All volunteers need to be consistent in maintaining clean, dry children.
- j. **Communicate!** When the parent/guardian returns for pickup, please let them know details about the care of their child (i.e. diaper was changed, time child was fed, how long they slept, snacks/juice were given, behavior, etc.). The dry erase board is a good tool for keeping up with these details.
- k. And finally, **ENJOY the children!** Hold them, rock them, play in the floor with them, read and sing to them ... This is their time to be loved and to learn about Jesus!
