

Hello RSBC Family,

In response to Governor Cooper's executive order, we are cancelling our Sunday morning services and Sunday School for the next two weeks. However, I will be continuing our series through the gospel of Mark and it will be playing on Facebook at 11:00 AM each Sunday morning. It will be a condensed service since many of the usual things have been tweaked (announcements, choir special, fellowship hymn, invitation, etc.) because of services being cancelled.

Please help me get the word out to everyone in your Sunday School classes, ministry areas and circle of friends. As of right now, our Wednesday night ministries will continue as normal.

In Christ,
Bro. Melton
